

## **Emergency Closing Procedure**

In case of a closing or delay due to weather or emergency, RiverStone Daycare will post such information of local news channel WNYT News Channel 13, News Channel 9, along with local radio stations, by 5:30am.

If the need arises that the center must close during it's normal hours of operation, this information will be posted on the local news and radio stations and we will contact you through the phone numbers listed on your blue card form.

Should the need arise that the center be evacuated, the children will be relocated to 89 River Street, above the gym, and you will be notified via phone.

For any further information regarding emergency closings, please see the director.
